

REMARKS

In the January 11, 2008 Office Action, pending claims 1-32 were determined to be subject to a restriction and/or election requirement as they pertained to more than one patentably distinct species or inventions. Specifically, the Examiner restricted the application to the following:

Invention A - claims 1-14, directed towards a fairing;

Invention B - claims 15-28, directed towards a motorcycle; and

Invention C - claims 29-32, directed towards a method.

The Examiner also restricted the application based on the following identified patentably distinct species:

Species A, directed towards FIG. 1-2;

Species B, directed towards FIG. 3-5;

Species C, directed towards FIG. 6;

Species D, directed towards FIG. 7;

Species E, directed towards FIG. 8;

Species F, directed towards FIG. 9; and

Species G, directed towards FIG. 10.

Pursuant to 35 U.S.C. § 121, Applicant wishes to elect Invention A, and Species A for prosecution on the merits in the above-identified application. Applicant submits that claims 1-3, 5-13 are submitted to be readable upon Species A. This election is made without traverse. However, Applicant respectfully requests that Species A and B be considered for prosecution on the merits as a single species, with the claims as identified readable thereon. FIGS. 1-5 illustrate, and the corresponding description sets forth, the same fairing embodiment, only in different views.

If any impediment to the examination of the identified claims remains after consideration of the above-recited remarks, which could be alleviated during a telephone interview, the Examiner is invited to telephone the undersigned attorney so that such issues may be resolved as expeditiously as possible.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 20-0100.

DATED this 11th day of February, 2008.

Respectfully Submitted,
